Our concept

Indian Culinary Experience & Events (ICEE), an unprecedented endeavour in France, blends grace and elegance. Deb's Traiteur and Curry Street unite to curate an exquisite, all-inclusive solution for weddings, corporate events, birthdays, and cocktails.

ICEE meticulously plans and orchestrates every intricate detail, weaving a culinary masterpiece through the expertise of a seasoned and accomplished chef.

From comprehensive catering to bar services, decoration, and live music, we possess the finesse to immerse your guests in a truly refined epicurean journey. Rest assured, with ICEE, your celebration will be embraced with capable hands, allowing you to revel in pure enjoyment.

Menu conception

Customised menu where you can personalise your dining experience according to the preferences and requirements.

*We have expertise to curate menus from **28 different states in India**, you can choose dishes from one state or the best from each state or try our custom made fusion options.*

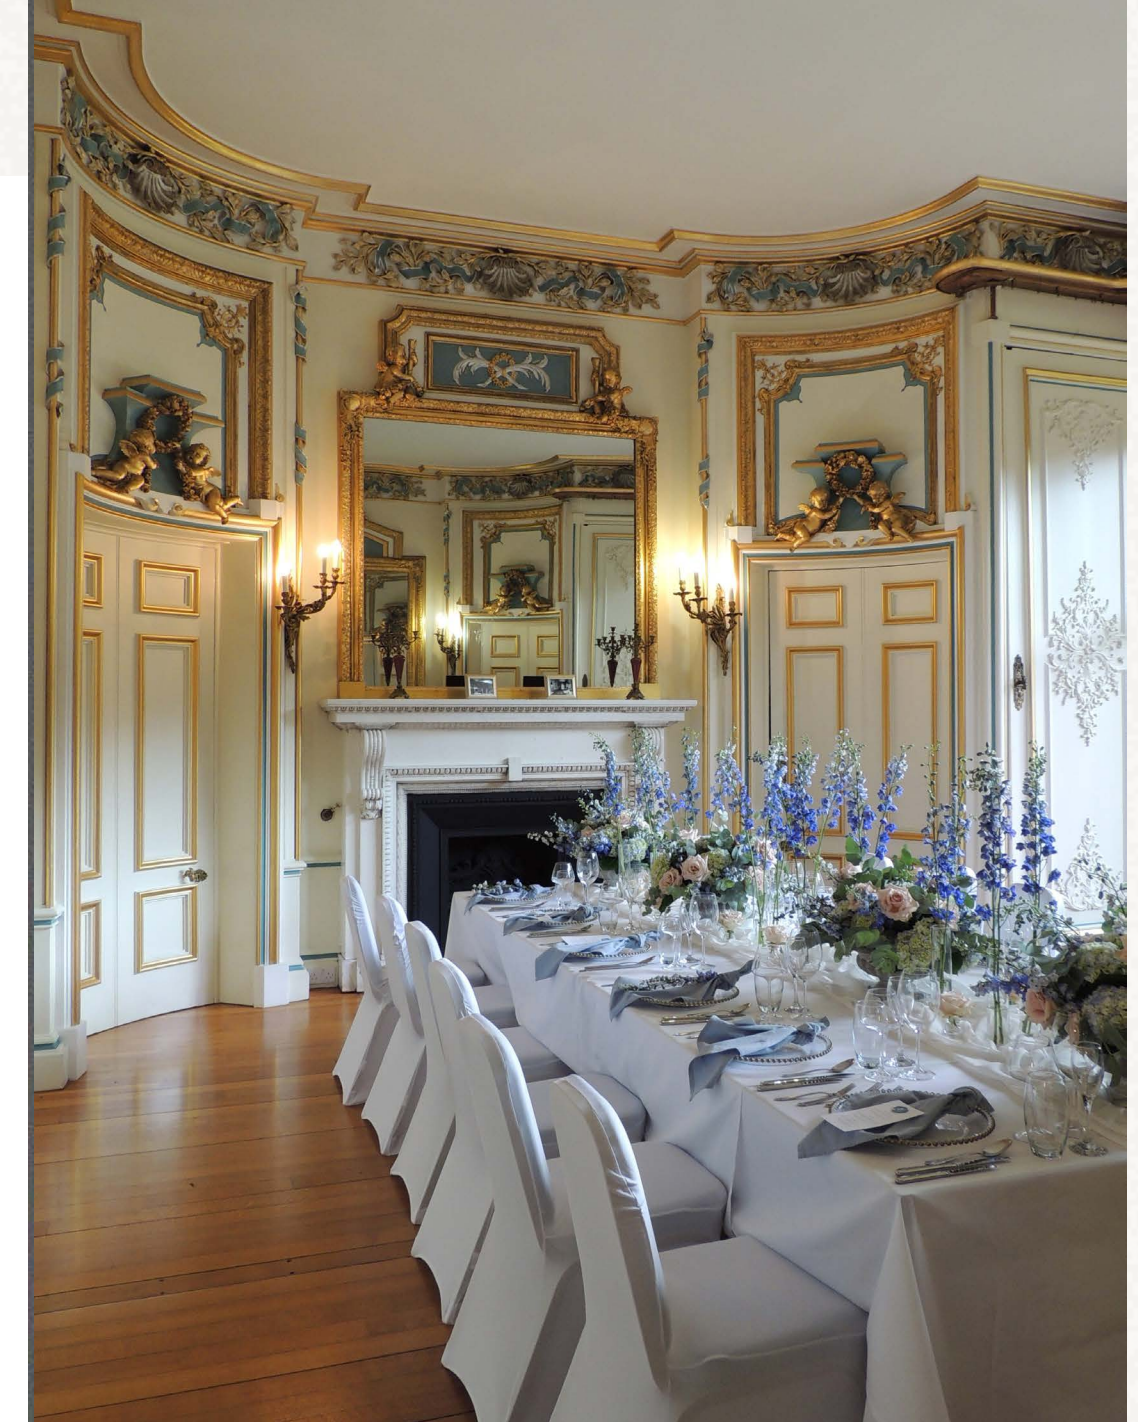

Every dish listed on the menu is meticulously prepared using the finest ingredients, incorporating innovative twists on traditional favorites. This ensures your diners will enjoy not just tasty food but also a chic and exotic culinary experience.

Venue

More than 50 different locations across France from old charming French chateau to river cruise on the Seine in Paris to classic banquet in prestigious venues.

There is a venue for every occasion, in major cities, countryside or remote areas for full intimacy.

D^{ecor}

Transform any occasion into a visually stunning and immersive experience. We meticulously plan and executes decor themes, lighting, floral arrangements, and props, ensuring each event is uniquely adorned to reflect our clients' vision and create lasting memories.
